## **DIRECTIONS FOR USE:**

This product must be used in accordance to the following directions by HVACR professionals only.

- 1. Turn off refrigeration, shut off water supply and discard ice from bin.
- 2. Remove all components that may be scaled with deposits.
- 3. Mix 3 oz. Nickel-Safe Ice Machine Cleaner per gallon of warm water in plastic container and place components in solution. Soak the components until they are free of deposits; for stubborn deposits use a soft brush to help.
- 4. Use above solution to clean the entire machine where deposits have collected. Then rinse cleaned areas with potable water.
- 5. Replace cleaned components and turn on water.
- To clean evaporator and recirculating water system, add Nickel-Safe Ice Machine Cleaner to the water in ice maker according to the manufacturer's instructions. If none are available, use 5 oz. of the product per gallon of water in the machine.
- 7. Allow cleaning solution to circulate for up to 10 minutes; recirculate the solution longer to remove heavier deposits. Drain cleaning solution and flush with potable water for a minimum of 30 seconds.
- 8. Thoroughly rinse bin with potable water.
- 9. Recommended: Sanitize the machine with IMS-III Sanitizing Concentrate.
- 10. Return machine to service and discard the first batch of ice.

## DANGER

May be corrosive to metals. Causes skin irritation.
Causes serious eye damage.

**PREVENTION:** Wear eye protection. Wear protective gloves. Wash thoroughly after handling. Keep only in original packaging. **RESPONSE: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor. **IF ON SKIN:** Wash with plenty of water. Specific treatment (see information on this label). If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash it before reuse. Absorb spillage to prevent material-damage.

STORAGE: Store in a corrosion resistant container with a resistant inner liner.

**DISPOSAL:** Dispose of container in accordance with local, regional, national and international regulations.

KEEP OUT OF REACH OF CHILDREN.
